Centre for Human Genetics

Detailed Admission Procedure

1. Entrance Examination

- **CHG Online Entrance Test:** The Centre for Human Genetics conducts a national-level online entrance test. It is an objective-type examination administered without negative marking. The syllabus covers the fundamentals of Physics, Mathematics, Chemistry, Biology, and English Language Comprehension.
- **JGEEBILS Route:** Candidates who have successfully qualified for the JGEEBILS (Joint Graduate Entrance Examination for Biology and Interdisciplinary Life Sciences) are eligible to apply directly for the programme and are exempted from taking the CHG online entrance test.

2. Personal Interview

- **Shortlisting:** Candidates are shortlisted for a personal interview based on the cutoff marks established in the online entrance test (or valid JGEEBILS scores).
- **Mode of Interview:** Interviews are conducted in person at the CHG campus in Bangalore. Remote interviews (via Online mode) may be permitted for eligible candidates under specific circumstances.

3. Admission Scoring Matrix

The final Admission Score is calculated using a composite evaluation of the candidate's personal interview performance and past academic record, structured as follows:

- Personal Interview: 60% weightage
- Previous Academic Record: 40% weightage, distributed across qualifying milestones:

❖ Secondary School (Class 10 / SSLC): 20%

❖ Higher Secondary (Class 12 / PUC / HSC): 30%

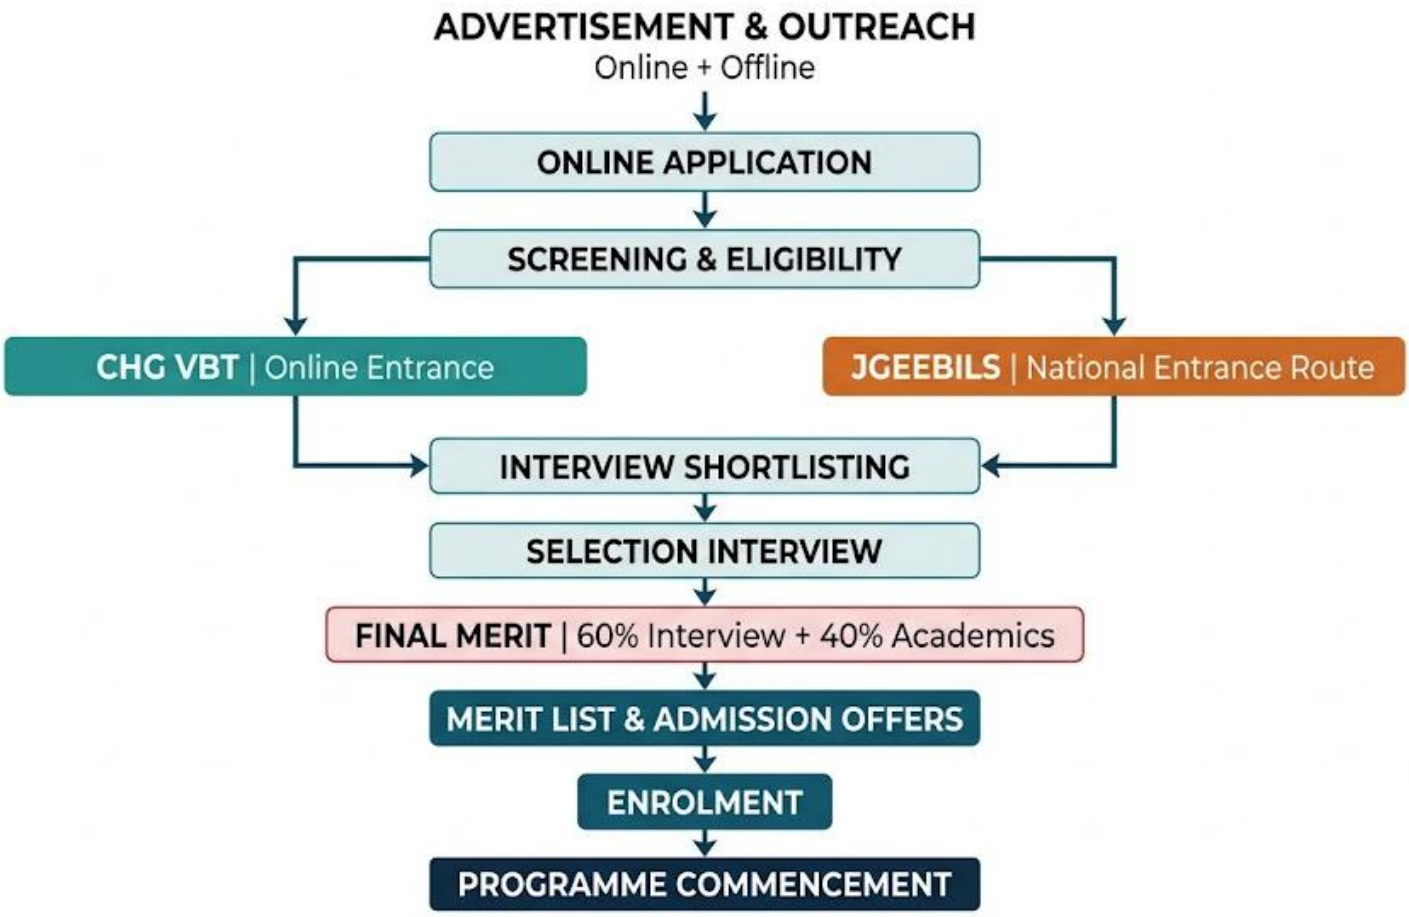

❖ Undergraduate Degree (Graduation): 50%

4. Reservation Policy

Admissions strictly adhere to the statutory reservation policies and guidelines applicable in the State of Karnataka.
